SPONSORSHIP PACKET

Introduction

Dear Sponsor,

On behalf of the **Infusion** 2017 Management Team, I would first like to thank you for taking interest in our fifth annual **Infusion** competition held on March 18th, 2017 at The Pennsylvania State University.

I am the Sponsorship Director of **Infusion**, a non-profit intercollegiate South Asian dance competition. **Infusion** invites teams within the North American Filmi-Fusion circuit to compete at our competition for a cash prize and points towards eligibility for the national Filmi-Fusion championship: Bollywood America and Legends. With an anticipated crowd of more than 1,500 attendees in the Eisenhower Auditorium, **Infusion** 2017 promises to be truly memorable for each individual involved. Unlike any other competition, for participants **Infusion** is a weekend-long experience, and the memories will begin the moment they arrive at the competition hotel on Friday, March 17th until they leave on the morning of Sunday, March 19th. Their weekend will consist of a mixer to socialize with other teams, various rehearsals, the actual competition, and a celebratory social to round out the weekend.

In order to accomplish my vision as this year's Sponsorship Director, I rely heavily on our corporate/local sponsors. With your organization's help, **Infusion** will be able to showcase South Asian culture through this unique fusion of Bollywood and western dance styles to the public. Your association with us will allow **Infusion** to attract new audience members who wish to immerse themselves in the competition. Since we are responsible for providing teams with all meals, prizes, and any necessary items throughout the weekend, we ask for any donation that you will be able to provide for us in helping us achieve this hospitality. As our competition is focused on the foundation of philanthropy, your efforts will contribute to the annual, 46-hour Penn State IFC/Panhellenic Dance Marathon ("THON"), which has raised millions of dollars towards pediatric cancer research at the Penn State Hershey Medical Center. Additionally, since we are a non-profit under the 501(c) (3) United States Internal Revenue Code, all of your donations will be tax-deductible.

I invite you to be a sponsor at the fifth annual **Infusion** dance competition. Any donation, whether in the form of cash, gift certificates, or tangible items, will be instrumental in assisting us to reach our goals. Your business will have the opportunity to be listed on all advertising and press as a sponsor of this event. Along with the benefits we provide listed on page 5 of this packet, we are also willing to work with you for any additional promotional opportunities to drive traffic to your business.

Please do not hesitate to contact me if any additional information is needed to answer any of your questions. I want to thank you for your time and I look forward to working with you.

Sincerely,

The Infusion Sponsorship Team

Frequently Asked Questions?

What is Filmi-Fusion Dance?

Filmi-Fusion Dance is one of the newest and fastest growing South Asian dance genres in North America. Entertaining crowds throughout the continent for the past decade, Filmi-Fusion combines two distinct dance styles: Hindi Film Dance (HFD) and Fusion. HFD focuses on traditional Bollywood themes, from romantic fairytales, to thrilling suspense, to social movements, expressed to popular Bollywood tracks. Fusion, on the

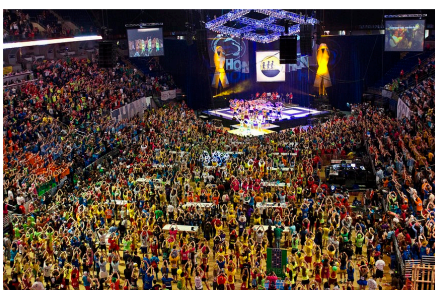

other hand, blends a variety of South Asian dance styles with various western dance forms such as hip-hop, ballet and lyrical. As North America's South Asian community continues to grow and experience success in global music and cinema, Bollywood is becoming a household term. Because of the increasing popularity of South Asian culture, audiences will be enticed by the storytelling masterpieces that Filmi-Fusion teams showcase at *Infusion*.

What are Bollywood America and Legends?

Bollywood America and Legends, are annual non-profit, North American filmi-fusion dance championships where top-ranking teams compete to be crowned the best filmi-fusion team in the nation. In order to qualify or receive an invitational bid from Bollywood America or Legends, each team must earn points from participation in eligible bid point competitions. Like *Infusion*, Bollywood America and Legends also take great pride in the performing arts, education, and community outreach to promote South Asian culture.

What is THON?

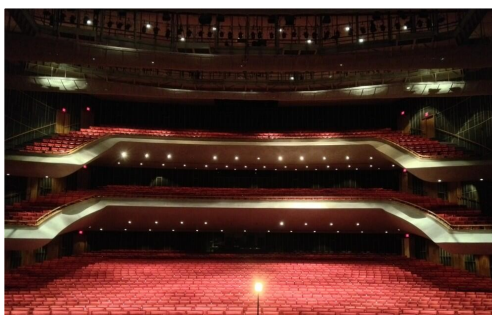

The Penn State IFC/Panhellenic Dance MaraTHON is an annual, year-round fundraising event for The Four Diamonds Fund, at the Penn State Children's Hospital in Hershey, PA. Over the past 40 years, the students of Penn State have raised over \$80 million and continue to lend support to thousands of children and families fighting pediatric cancer. The year culminates in a no-sitting, no-sleeping, 46-hour dance Mara-THON held every February. Last year alone, the determination of over 700 dancers and thousands of supporters helped raise more than \$10 million to

support families in paying for pediatric cancer treatment and facilitate research. As a percentage of *Infusion's* proceeds goes towards THON, your sponsorship could benefit a great cause.
