PACKET

Introduction

Dear Sponsor,

On behalf of the **Infusion** 2018 Management Team, we would first like to thank you for taking interest in our sixth annual **Infusion** competition held on March 17th, 2018 at The Pennsylvania State University.

We are the Sponsorship Directors of **Infusion**, a non-profit intercollegiate South Asian dance competition. **Infusion** invites teams within the North American Filmi-Fusion circuit to compete at our competition for a cash prize and a bid to the continental Filmi-Fusion championship: Bollywood America. With an anticipated crowd of more than 1,500 attendees in the Eisenhower Auditorium, **Infusion** 2018 promises to be truly memorable for each individual involved. Unlike any other competition, for participants **Infusion** is a weekend-long experience, and the memories will begin the moment they arrive at the competition hotel on Friday, March 16th until they leave on the morning of Sunday, March 18th. Their weekend will consist of a mixer to socialize with other teams, various rehearsals, the actual competition, and a celebratory social to round out the weekend.

In order to accomplish our vision as this year's Sponsorship Directors, we rely heavily on our corporate/local sponsors. With your organization's help, **Infusion** will be able to showcase South Asian culture through this unique fusion of Bollywood and western dance styles to the public. Your association with us will allow **Infusion** to attract new audience members who wish to immerse themselves in the competition. Since we are responsible for providing teams with all meals, prizes, and any necessary items throughout the weekend, we ask for any donation that you will be able to provide for us in helping us achieve this hospitality. As our competition is focused on the foundation of philanthropy, your efforts will contribute to the annual, 46-hour Penn State IFC/Panhellenic Dance Marathon ("THON"), which has raised millions of dollars towards pediatric cancer research at the Penn State Hershey Medical Center. Additionally, since we are a non-profit under the 501(c)(3) United States Internal Revenue Code, all of your donations will be tax-deductible.

We invite you to be a sponsor at the sixth annual **Infusion** dance competition. Any donation, whether in the form of cash, gift certificates, or tangible items, will be instrumental in assisting us to reach our goals. Your business will have the opportunity to be listed on all advertising and press as a sponsor of this event. Along with the benefits we provide listed on page 5 of this packet, we are also willing to work with you for any additional promotional opportunities to drive traffic to your business.

Please do not hesitate to contact us if any additional information is needed to answer any of your questions. We want to thank you for your time and we look forward to working with you.

Sincerely,

Infusion Sponsorship Directors
Jhusri Chinnam and Shivani Rathod

What is Filmi-Fusion Dance?

Filmi-Fusion Dance is one of the newest and fastest growing South Asian dance genres in North America. Entertaining crowds throughout the continent for the past decade, Filmi-Fusion combines two distinct dance styles: Hindi Film Dance (HFD) and Fusion. HFD focuses on traditional Bollywood themes, from romantic fairytales, to thrilling suspense, to social movements, expressed to popular Bollywood tracks. Fusion, on the other hand, blends a variety of South Asian dance styles with various western dance forms such as hip-

hop, ballet and lyrical. As North America's South Asian community continues to grow and experience success in global music and cinema, Bollywood is becoming a household term. Because of the increasing popularity of South Asian culture, audiences will be enticed by the storytelling masterpieces that Filmi-Fusion teams showcase at **Infusion**.

What is Legends?

Legends is the official Bollywood Dance Championship founded by former dancers and competition organizers from the Desi Dance community. It is founded on the three principles of quality, community, and competition. Dance teams qualify for the competition by collecting points through the ELO system. Like **Infusion**, Legends is a competition that has a great sense of care and passion for the circuit.

What is THON?

The Penn State IFC/Panhellenic Dance MaraTHON is an annual, year-round fundraising event for The Four Diamonds Fund, at the Penn State Children's Hospital in Hershey, PA. Over the past 40 years, the students of Penn State have raised over \$80 million and continue to lend support to thousands of children and families fighting pediatric cancer. The year culminates in a no sitting, no-sleeping, 46-hour dance mara-THON held every February. Over the

years, THON has raised more than \$136 million to support families in paying for pediatric cancer treatment and facilitate research. This collective effort, involving more than 16,000 students, has become one of Penn State's greatest and most unifying traditions. As a percentage of **Infusion's** proceeds goes towards THON, your sponsorship could benefit a great cause.

What is the impact of your sponsorship?

Your sponsorship and association with **Infusion** will help your organization expose its name to thousands of future leaders from universities throughout the country. The target audience will extend beyond college students and reach out to a community that holds tradition, culture, and values at the utmost respect. Your sponsorship will reach an extensive crowd at a minimal cost and will not be limited by geographic region. The main audience your organization will be exposed to includes (but is not limited to) the South Asian community, which is home to nearly 10% of the United States' millionaires. With this in mind, it is very clear why so many businesses and organizations have turned their marketing efforts to attract such a financially powerful demographic of the American community. Infusion's advertising efforts have already commenced at various college campuses and major cities throughout the United States. More importantly, Infusion is being held at the Pennsylvania State University, which is home to over 48,000 undergraduate students and thousands of graduate students, faculty and community members.

What is Eisenhower Auditorium?

The venue of **Infusion** 2018 is the prestigious Eisenhower Auditorium, which can accommodate up to 2,500 people. Eisenhower Auditorium is Penn State's primary theatrical performance space and is also one of the largest stages in the country. Opened in 1974 and later named after the former University President, Milton S. Eisenhower, the modern style auditorium hosts more than 200 events each year. Famed artists and ensembles have graced Eisenhower's stage and mesmerized the State College community throughout the years.

What is the Infusion Management Team?

Consisting of past members of the **Infusion** 2017 management team, the team has gained considerable knowledge and expertise by traveling across the nation and participating in a variety of Filmi-Fusion competitions. After five successful years in the filmi-fusion circuit, the **Infusion** board is back for its sixth season, and promise to make it even bigger and better than before. It continues to firmly believe in the values our founders passed down to us, pledging to move forward with the same sincerity, hospitality and entertainment. Above all, the **Infusion** management team has come together to organize a competition that would provide the nation with the finest of South Asian culture.
