

# LOCAL SPONSORSHIP PACKET 2019

## Introduction

Dear Sponsor,

On behalf of the *Infusion* 2019 Management Team, we would first like to thank you for taking interest in our seventh annual *Infusion* competition held on March 16th, 2019 at The Pennsylvania State University. We are the Sponsorship Directors of *Infusion*, a non-profit intercollegiate South Asian dance competition. *Infusion* invites teams within the North American Filmi-Fusion circuit to compete at our competition for a cash prize and a bid to the continental Filmi-Fusion championship. With an anticipated crowd of more than 1,500 attendees in the Eisenhower Auditorium, *Infusion* 2019 promises to be truly memorable for each individual involved. Unlike any other competition, for participants, *Infusion* is a weekend-long experience, and the memories will begin the moment they arrive at the competition hotel on Friday, March 15th until they leave on the morning of Sunday, March 17th. Their weekend will consist of a mixer to socialize with other teams, various rehearsals, the competition itself, and a celebratory social to finish off the weekend.

In order to accomplish our vision as this year's Sponsorship Directors, we rely heavily on our corporate and local sponsors. With your organization's help, *Infusion* will be able to showcase South Asian culture through this unique fusion of Bollywood and western dance styles to the public. Your association with us will allow *Infusion* to attract new audience members who wish to immerse themselves in the competition. Since we are responsible for providing teams with all meals, prizes, and any necessary items throughout the weekend, we ask for any donation that you can provide to us in helping us achieve this hospitality. As our competition is focused on the foundation of philanthropy, your efforts will contribute to the annual, 46-hour Penn State IFC/ Panhellenic Dance Marathon ("THON"), which has raised millions of dollars towards pediatric cancer research at the Penn State Hershey Medical Center. In addition, we are also contributing to the Smile Foundation which directly benefits over 600,000 children and their families every year through more than 250 ongoing welfare projects on education, healthcare, livelihood and women empowerment across India. Moreover, since we are a non-profit under the 501(c) (3) United States Internal Revenue Code, all of your donations will be tax-deductible.

We invite you to be a sponsor at the seventh annual *Infusion* dance competition. Any donation, whether in the form of cash, gift certificates, or tangible items, will be instrumental in assisting us to reach our goals. Your business will have the opportunity to be listed on all our advertising and press as a sponsor of this event. Along with the benefits we provide listed on page 5 of this packet, we are also willing to work with you for any additional promotional opportunities to drive traffic to your business.

Please do not hesitate to contact us if any additional information is needed to answer any of your questions. We want to thank you for your time and we look forward to working with you!

Sincerely,  
*Infusion* Sponsorship Directors

### What is Filmi-Fusion Dance?

Filmi-Fusion Dance is one of the newest and fastest growing South Asian dance genres in North America. Entertaining crowds throughout the continent for the past decade, Filmi-Fusion combines two distinct dance styles: Hindi Film Dance (HFD) and Fusion. HFD focuses on traditional Bollywood themes, from romantic fairy tales to thrilling suspenses and social movements, expressed to popular Bollywood tracks. Fusion, on the other hand, blends a variety of South Asian dance styles with various western dance forms such as hip-hop, ballet and lyrical. As the South Asian community in North America continues to grow and experience success in global music and cinema, Bollywood is becoming a household term. Because of the increasing popularity of South Asian culture, audiences are enticed by the storytelling masterpieces that Filmi-Fusion teams showcase at *Infusion*.

### What is Bollywood America?

Bollywood America is an annual non-profit, North American filmi-fusion dance championship where ten top-ranking teams compete to be crowned the best filmi-fusion team in the nation. In order to qualify or receive an invitational bid from Bollywood America, each team must place at a bid-qualifying competition. Like *Infusion*, Bollywood America also takes great pride in the performing arts, education, and community outreach to promote South Asian culture.

### What is Legends?

Legends Bollywood Dance Competition, founded by Desi Dance Network Inc., expands the focus of a national dance competition to improving competition across the United States through an inclusive, communication-based approach. Using research based approach, Legends employs an ELO system for team selection that measures relative team strength for the most fair representation of the most elite teams. Working with Partner Competitions across the country, Legends collaborates to ensure the highest standard of performance is met and that the top Bollywood Fusion teams have the opportunity for the chance to compete at is championship competition.

### What is Smile Foundation?

Following a lifecycle approach, Smile Foundation works intensively through focused welfare projects in four major areas – child education, healthcare for families, skills training and livelihood for youth, and community engagement through women empowerment. So far, Smile Foundation has been able to directly impact the lives of over 1 million children and families.

### What is THON?

The Penn State IFC/Panhellenic Dance MaraTHON is an annual, year-round fundraising event for The Four Diamonds Fund, at the Penn State Children’s Hospital in Hershey, PA. The year culminates in a no-sitting, no-sleeping, 46-hour dance maraTHON held every February. Over the years, THON has raised more than \$136 million to support families in paying for pediatric cancer treatment and facilitate research. This collective effort, involving more than 16,000 students, has become one of Penn State’s greatest and most unifying traditions. As a percentage of *Infusion’s* proceeds goes towards THON, your sponsorship will benefit a great cause.

### What is the impact of your sponsorship?

Your sponsorship and association with *Infusion* will help your organization expose its name to thousands of future leaders from universities throughout the country. The target audience will extend beyond college students and reach out to a community that holds tradition, culture, and values with the utmost respect. Your sponsorship will reach an extensive crowd at a minimal cost and will not be limited by geographic region. *Infusion’s* advertising efforts have already commenced at various college campuses and major cities throughout the United States. More importantly, *Infusion* is being held at the Pennsylvania State University, which is home to over 48,000 undergraduate students and thousands of graduate students, faculty and community members.

### What is Eisenhower Auditorium?

The venue of *Infusion* 2019 is the prestigious Eisenhower Auditorium, which can accommodate up to 2,500 people. Eisenhower Auditorium is Penn State’s primary theatrical performance space and is also one of the largest stages in the country. Opened in 1974 and later named after the former University President, Milton S. Eisenhower, the modern style auditorium hosts more than 200 events each year. Famed artists and ensembles have graced Eisenhower’s stage and mesmerized the State College community throughout the years.

### What is the Infusion Management Team?

Consisting of past members of the *Infusion* 2018 management team, the team has gained considerable knowledge and expertise by traveling across the nation and participating in a variety of Filmi-Fusion competitions. After six successful years in the filmi-fusion circuit, the *Infusion* board is back for its seventh season, and promises to make it even bigger and better than before. It continues to firmly believe in the values our founders passed down to us, pledging to move forward with the same sincerity, hospitality and entertainment. Above all, the *Infusion* management team has come together to organize a competition that would provide the nation with the finest of South Asian culture.
